Message from the Vice-Chancellor

On the occasion of the Diamond Jubilee celebration of Dibrugarh University, it is with great pleasure that I extend my warmest greetings and heartfelt congratulations to all those involved in the organization of the Open Karate Championship held in collaboration with Dibrugarh District Karate-do Association. This notable event, symbolizing the pursuit of excellence in both sports and academics, is further enhanced by the theme inspired by the wild horses of the Dibru-Saikhowa area — a symbol of untamed strength, resilience, and freedom. Karate, as a sport, is a symbol of strength, focus, and resilience, qualities that our institution strives to instill in every individual who is part of our academic community. It is indeed a proud moment for us to see the integration of sports and education in such a remarkable event, which celebrates both physical fitness and intellectual spirit.

As Dibrugarh University celebrates 60 years of educational and cultural growth, this event stands as a testament to our commitment to fostering holistic development, combining the physical and intellectual dimension to shape well-rounded individuals. The joint effort in organizing this championship not only promotes the sport of karate but also highlights the deep cultural and ecological heritage of our beloved region. I am confident that this championship will not only showcase exceptional athleticism but also foster camaraderie and inspire the young minds of our region to pursue excellence, both on and off the field.

As we celebrate 60 years of academic excellence and community building, let us continue to support and encourage such initiatives that promote holistic development and enrich the cultural fabric of our university. I am confident that this championship will inspire our youth to embrace the strength, resilience, and independence of the wild horse, encouraging them to push boundaries and rise above challenges in all aspects of their lives.

I wish all the participants the best of luck and look forward to a successful, inspiring and memorable championship.
